

Hints for 3.3 Euterpe

You notice those numbers are in arithmetic progression, modulo 26!
The words of the songs seem to correspond to the numbers written on the CD cover.

Listen to the lyrics of the songs. Do they match up to the numbers on the cover?

(Note: The numbers next to the song names are track times.)

9 18 1 corresponds to the first song, to give J

13 7 1 corresponds to the second song, to give another letter, and so on -
find the pattern
