

3.1 FUN WITH FLAGS

You shift uncomfortably in your seat as a council member, Elviprais Foona briefs you and Muh-Dib on the next mission.

"There is an old ruin we'd like you to investigate, as there has been some questionable activity of late. We've managed to intercept some of their transmissions, although we do not know if they will be of any use."

Muh-Dib's puzzled expression says it all. You were expecting a cryptogram or encoded message, but *this*?
